The above list covers your requirements for a 5 day course at the Centre. Parents should not feel obliged to purchase new clothing for the course, a child's normal clothes, and indeed **oldest clothes** are best for all the activities we undertake. All specialist equipment, including waterproofs and rucksacs will be provided by the Centre.

Please note that expensive items such as watches and cameras are brought in at the owners own risk. Disposable cameras are best in case of accident/loss.

Mobile phones/ mp3 players etc. are NOT permitted at the Centre.

DO NOT bring tuck/snacks – there is a tuck shop each night and it is only allowed to be eaten during tuck time in an evening to avoid 'visitors' being attracted to the tents.

THE OUTDOOR CENTRES ARE MOBILE PHONE FREE ZONES – LEAVE YOURS AT HOME.

Please try to limit the size of your suitcase/bag

You are only away for a maximum of 4 nights.

Some children bring far too much luggage, and bags are sometimes too heavy for the coach driver to load safely. Too many large cases can mean that the luggage for a group will not all fit on the coach.

Remember when you arrive at the centre **you will have to carry your own bags some distance** to your room or tent. Please make sure they are not too heavy for you to carry by yourself.

PLEASE MAKE SURE **EVERYTHING** HAS A NAME ON! This is what Friday mornings look like when everybody tries to identify clothing with no name especially when there are other schools there as well as us. A lot gets left behind!
