"Be the best you can be"

Headteacher's News

Well here is the last newsletter for EYFS for this school year. As I said last Wednesday, I cannot believe that it is a year since your little ones began their learning journey in nursery or reception. They have grown up so quickly and are super members of our school. I hope you will agree with me that our first graduation ceremonies for nursery and reception went really well and already, Mrs Pattison and I are having discussions about how we can make them even better next year. I do hope that you all have a super summer break and I very much look forward to hearing all your stories about what you have got up to over the summer, when the children return on Tuesday 5th September 2017.

Thank you for your continued support through the year.

Best wishes,

Mrs D Beardsmore
Headteacher

Nursery Learning

We can't believe we are nearing the end of the nursery year. Pirate Pete has continued to send us letters. After his visit, he informed us that his treasure map had blown over the side during a terrible storm. The children loved using their mark making skills to draw and label new maps for him. This week we have performed a dance to join his pirate crew, made eye patches and origami pirate hats. We will complete our pirate adventures with a treasure hunt. We will be following the clues to find the chocolate doubloons and solving the picture clues to crack the pirate codes.

A big thank you, to all of the parents and carers, for all of your support this year. It has been an absolute pleasure to teach your children. They will be sorely missed and we wish them all the best.

Reception Learning

The children had an amazing time at Jodrell Bank Discovery Centre on Tuesday 3rd July 2017. They created rockets and launched them into space, learned about the moon landing, sorted backpacks for the astronauts to take into space, visited the Lovell telescope, had fun at the whispering dishes and learned about the planets and star constellations in the inflatable planetarium.

On Thursday July 13th 2017, all Reception children visited their new Year 1 teachers and were very excited and keen to tell staff about their new learning environment and the activities they carried out.

The graduation ceremony was a lovely event and the children shone like stars when they received their certificates and awards. Thank you to all parents and carers who attended.

The school day finishes **at 2pm on Friday 21st July** so that staff and pupils can say their final goodbyes to Year 6. We hope you have a lovely summer break and look forward to seeing you all return ready for Year 1 on

Tuesday 5th September 2017 at 8.40am on the big yard.

Learning is fun in EYFS 

Don't Forget

*School opens on Tuesday 5th September 2017 at **8.30am** for children in Nursery.

Don't Forget

*School opens on Tuesday 5th September 2017 at **8.40am** for children in Reception.
