

# Year 5 – People of Africa

## CRUCIAL KNOWLEDGE

Africa is a diverse continent

Population means the people that live in a place

People live in different settlements (type of place)

A tribe is a group of people who share a language, culture and history

## EXTENDED KNOWLEDGE

There are tribes all over the world

Some tribes in Africa are:  
The Himba, Dogon, Maasai, Berber and Mbuti

Some tribes have existed for at least 20,000 years (the San)

Some tribes around the world are:  
Sentinelese, Chimbu, Panará, Awá and Kazakh

A nomad is a person who moves from place to place

Indigenous means something that originally lived and may continue to live in a particular place
