

A decorative border of colorful books surrounds the text. The books are arranged in a grid-like pattern, with some books open and some closed. The colors include pink, green, orange, purple, blue, red, and yellow.

KS1 Summer Reading Challenge

You are invited to take part in our Summer Reading Challenge. Your challenge is to have a photograph taken of yourself reading a book in an unusual place. The unusual place could be on the beach, sitting in a car, riding a horse or wherever you can find to read a book. The more unusual the better!

Please bring your photographs into school when you return in September.

Have fun and enjoy your summer of reading.
