

Curriculum Questionnaire 2019

At Churchfields Primary School we aim for *all children and adults being the best that they can be*. It is important that we have a curriculum that meets the needs of **all** our learners and helps them to strive to live up to the school motto.

We define a broad and balanced curriculum as one that develops the *whole child* and encourages a *love of learning*. We provide a curriculum that is *challenging, builds resilience* and supports children in their understanding of *how* to learn. We want them to be inspired to learn more about themselves, the community they live in and the world around them, developing empathy for others.

At Churchfields Primary School, we believe we offer a broad and balanced curriculum, but in the academic year 2019-20, we are looking to develop this further through:

1. Using the children's interest more to develop learning in class
2. Telling the children what specific subjects they are learning e.g. saying when they are learning (eg) History
3. Adding more creative ideas and experiences to the topics

We value your views on this area of school life and ask if you could please take 5 minutes to respond to the questions below ***in relation to the year group your child is in now and last year***. Thank you, in advance for your support with this.

Child's class (and name – optional): _____

1. What do you think about the curriculum (subjects studied) we offer at Churchfields Primary School?

2. What **subjects** does your child positively talk about at home?

3. A) On a scale of 1 – 10 how far have we met your child's interests at school? (please circle – **1 being least, 10 being most**)

1 2 3 4 5 6 7 8 9 10

B) Please write which of these interests have been supported at school?

C) How could we cater for his/her interests even more?

4. When asked, what would your child wish to see or do more of in their learning at school?

Any other comments

Thank you very much for taking the time to complete this form. Please return the completed form to your child's class teacher.
