Dear Parents and Carers,

As a school we are committed to promoting reading across all year groups and in lots of different ways. We are VERY excited to introduce a new **online reading resource** that we have purchased as a school for your child to access both at school and at home.

Bug Club is an online resource which can be used on desktop computers, laptops and ipads. Each child will be given their own username and password. Their teacher will be able to allocate books for them to read and answer questions about. All the books are grouped into colours which are the same as our school reading scheme books.

Your child will be shown how to use this resource on the ipads in school. Their username and password will be written inside their reading diary. Below are some step by step instructions to help you and your child to access the resource.

We hope your child enjoys the Bug Club. If you have any questions please contact your child's teacher or myself.

Happy reading and thank you for your continued support,

Mrs J Mawdsley
Key Stage 1 Leader
