12<sup>th</sup> November 2020

Dear Parents and carers,

As a school we are dedicated to maintaining a strong partnership with parents in our effort to provide the very best education for our students. Key to that partnership is open communication. For this reason, I want to make you aware that we have had our first positive case of COVID 19 today. All children who have been in contact with the positive case are now self isolating for 14 days in line with advice from Public Health England and the Department for Education COVID 19 response team. We will monitor the situation regularly and will keep you informed.

As always, the safety of the children, parents and staff at Churchfields Primary is of foremost concern. We have many procedures and policies in place to maintain a safe environment for all students. Please be reassured that we will continue to follow our internal risk assessments and take advice from the appropriate sources. To support with this please ensure that if you, or your child or anyone in your household displays symptoms, your child(ren) remains at home for the isolation period of 14 days or until a negative test has been sourced.

Please do not hesitate to contact me if you should have any questions.

Thank you for your support

Diane Beardsmore

Headteacher
