

Churchfields Primary School Behaviour Procedures 2019

To ensure continuity throughout the school we use the following graded system to respond to low level inappropriate behaviour

These methods must be consistently applied by all teaching and support staff to ensure that the whole school policy is effective

On Red

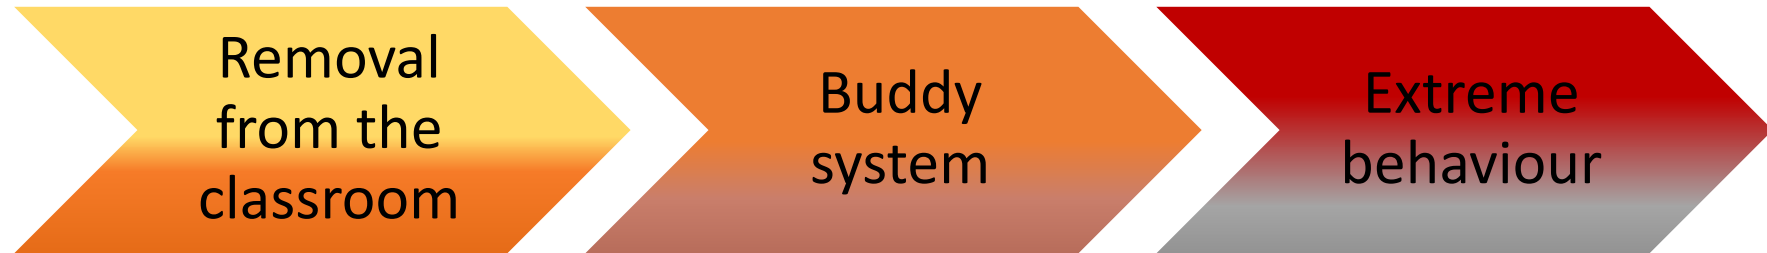

The child misses the following break time - this is supervised by the class teacher or they miss 15 minutes of lunch (depending on the time of day)

- If a child has moved to red, the parent must be informed.
- If this is consistently happening, then the Key stage leader must be made aware

- If a child is constantly moving to red, the Key stage leader, alongside the class teacher will invite the parents in to discuss what has been happening.
- These incidents must be recorded

Persistent poor behaviour in class

If persistent behaviour results in classroom removal, then this could be done by the Key Stage leader.

The child can be removed to another year group class
