

Here at Churchfields Primary our aims are:-

- To provide a broad and balanced curriculum so that each child can achieve success and can reach his or her full potential.
- To develop well rounded individuals socially, emotionally, physically and creatively.
- To enable our pupils to become responsible young people and lifelong learners.
- To provide a welcoming, safe and stimulating environment where everyone is listened to and respected.
- To nurture strong partnerships and positive relationships with parents, carers and the wider community.
- To recognise and celebrate success in all aspects of school life.

We will strive to make our school a place where staff, governors and parents are work actively together to ensure children receive a nurturing, rich, inspiring, dynamic and engaging education, enabling each child to become a lifelong learner, aspiring to high standards of achievement in all areas of their life.

Cultural capital

This is ensuring that the children have the knowledge and vocabulary in order to succeed in life.

Heuristic

This is ensuring that children can discover and learn things for themselves. Children can problem solve and find solutions.

Understanding the world

This is ensuring that children understand the world in which they live and their place within it. This is not just position but also culture, lifestyles, religion etc.

Resilient learners

This is ensuring that children persevere and do not give up. That they have the strength to keep going even when the task gets hard

Challenging for all

This is ensuring that our curriculum is diverse and challenges all learners from children who need extra support to our most able

Healthy lifestyles

This is ensuring that children make and understand healthy choices in regards to their physical health and mental health

Future proof learning

This is ensuring that we keep our curriculum updated to take note of new technology and also think of the roles that children will need in the future

Independent learners

This is ensuring that children are capable of working independently and wish to succeed

Experience rich

This is ensuring that all children have access to experiences to bring their curriculum alive

Love of learning

This is ensuring that children enjoy school and want to learn new things

Detailed knowledge of subjects

This is ensuring children can recall the facts and knowledge studied and can recall identified key facts highlighted within the curriculum

Successful

The final aim is that all children will be successful and will continue to be successful as they move to the next stage of their education
