

Book of the Month

Leon says that Emma Carroll is a great and engaging author and has given the author the following star rating.

Our Book of the Month for February is **Strange Star by Emma Carroll**. A book by the same author *Letters from the Lighthouse* was read by Leon English in 5A and based on his enjoyment of that book he has recommended a book by the same author.

About the book...

An English girl from a small village, Lizzie and her family have experienced sadness and death, all when a comet starts passing through the night sky many months earlier and a great Scientist moves to town. Following a string of unfortunate and life-changing events, Lizzie is desperate to save her younger sister and escape the memory of a town plagued by superstition, mistrust, and the cruel edge of a scientist's ambition.

There are copies of the Book of the Month on our Bookopoly display. Please feel free to borrow – read – review and return. Next month, a member of staff will be reviewing a book that they have enjoyed reading.
