

# Year 1 – Maps and Fieldwork

## CRUCIAL KNOWLEDGE

Geography is all about places and people

A map is a drawing of a place or places

A symbol is something that shows where a real place is on a map:  
House = 🏠

Up: ↑  
Down: ↓  
Left: ←  
Right: →

A route/ journey is a way of getting from one place to another

Fieldwork is working outside, rather than inside

## EXTENDED KNOWLEDGE

There are lots of different kinds of maps – real and imaginary

A map can help us to find someone or something

Scale is an exact copy of a real object but it will be smaller or larger than the real object

Human geography is related to people

Physical geography is things that would exist even if humans didn't
