

Year 3 – Tourism in Europe

CRUCIAL KNOWLEDGE

The UK and Spain are countries in the continent of Europe

A continent is a large area of land which is made up of more than one country

Tourism is where people travel for fun, on holiday or to visit a place of interest

A tourist destination is a place that is frequently visited by tourists

People travel to tourist destinations in different ways: car, train, boat, plane

R: The weather is what the sky and air is like outside on a daily basis

R: The climate is weather conditions over a long period of time

EXTENDED KNOWLEDGE

Europe is one of 7 continents

Spain is the most visited country by people from the UK

The Mediterranean Sea and Atlantic Ocean surround Spain

The Balearic Islands and Canary Islands are islands off the coast of Spain

Spain has a Mediterranean climate: hot, dry summers and mild, rainy winters

Barcelona and London are two of the most popular places to visit in the world

Some attractions of Barcelona: La Sagrada Familia, Park Güell, Camp Nou
