11<sup>th</sup> September 2022

Dear parents and carers,

A big welcome to all of our new parents and welcome back to all our 'old' parents. The children, as always, have been fantastic and have come into school and have got straight back to learning. It has been lovely to see the children return to school, after a summer holiday of good weather and I have enjoyed hearing tales about time with families, holidays in the sun and in some cases new additions joining the families.

We are pleased to welcome Miss Dowling in Nursery who will be helping Mrs Clowes and Mrs Bennett to help our youngest children settle into school. Just before the summer holiday, Mr Cotton welcomed his first child, Elsie Kathleen Cotton and over the summer, Miss Lawton got married and became Mrs Smith.

I have really been looking forward to writing my weekend letter without having to make reference to COVID. However from conversations I have had with many of you, I know the cost-of-living crisis and trying to spread an already stretched budget to go further has become your number one priority. Firstly, let me reassure you that there are no plans to shorten the school week, as reported in the press over the summer holiday. This is not something that we are looking at.

We would like to be able to support you as families as much as possible, so if any of you have old uniform that is in good condition and may be of use to another family then please donate to school. If you require any school uniform, then please check if we have any available.

We will endeavour to keep costs down in school and will try and ensure that we give as much notice as possible for educational visits and enrichment activities. Remember when we have own clothes day and other charity events these are voluntary and please do not feel obliged to contribute if money is tight – I know you will support where you can.

However, we have had to make an increase in cost for one area of school life. From the 19<sup>th</sup> September, we are unable to hold off an increase to the price of a school dinner. Due to the rising cost of supplies and pressure resulting from the current cost of living crisis, all the Trust schools will be on the set price of £2.57 for a meal. This is set by the catering company who we are contracted out to – we do not profit from this

You should have received a letter from your child's class teacher via MarvellousMe. Hopefully you have all got your log on details for this. If you haven't logged on yet, please contact the office and they will help to get this sorted. This is vital as we not only send letters via this app but it also helps you to see what your child is doing in school.

We are now into the second full year of our crucial knowledge curriculum and the children are starting to show that they know more and remember more. Your children are sharing their knowledge and understanding with each other and the adults in school. The curriculum is planned to give the children a wide base of knowledge alongside the core subjects of English and mathematics.

## RIP Queen Elizabeth II

Whatever your views are about the royal family, you cannot deny the impact of the Queen's life and legacy. For all of my life she has been a constant presence and has shown what true leadership looks like and for me, no more so than her fantastic words of support during the pandemic. A life well-lived, well-loved and dedicated to the country and Commonwealth she loved. She has moved the monarchy into the modern age and has shaped history. The thought of a Christmas Day without the Queen's speech and money and stamps without her image is hard to imagine. In school on Friday, classes spent some of their learning time looking at the life of this amazing woman. On **Monday 19<sup>th</sup> September**, school will be closed as this has been declared a bank holiday in order for all who would like to, to join together and commemorate her life and watch the funeral.

## School Terms and Holiday Dates 2022 -2023

As always, please avoid booking holidays in term-time. They can only be authorised if they are 'exceptional' circumstances. I have limited capacity to authorise holidays. Our registers are externally checked and there are strict guidelines in place.

Friday 16<sup>th</sup> September is National Teaching Assistant Day. As a school we would not be able to function without the help and hard work of our teaching assistants. I want to take this opportunity to say a big thank you to them for always going the extra mile. I am sure you will join me on Friday in saying thank you to our amazing teaching assistants.

A reminder if you have any questions then please contact your class teacher. They can be contacted on the following emails:
