

Churchfields Primary School Spanish Curriculum document

After many years of studying French we have made the decision to move to Spanish. This is to ensure that for the majority of children the knowledge will continued to be developed when they transfer to high school and links to the holiday destination that many of our children visit. This does mean that all children are starting September 2021 from the same start point and this is reflected in our curriculum plan

September 2021 – July 2022

Year 4, 5 and 6 will start September following Year 1:

Year 1
