

PSHE Curriculum

Churchfields Primary School

Guidance

- Each year group has 3 documents - the crucial knowledge, key vocabulary and lesson content.
- The crucial knowledge is what we want all children to know and to be able to talk about.
- The lesson content outlines what should be talked about in class during the unit. This is where we demonstrate most progression throughout year groups. For example, all children should know that 'We should treat each other with respect'. However, when asked to talk about it, we would want Y1 children to be talking about being kind and sharing, whereas with Y6 we would want the children to be talking about resolving conflict in different ways and how we should demonstrate kindness to all, regardless of differences such as gender, race or religion.

Guidance

- Combine as many lesson content statements into one lesson as you feel is appropriate. Many of them lend themselves to being taught side by side.
- Teach the content in whichever order suits your class and spend as long on any particular crucial knowledge statement as you need to. A class that knows to tell an adult if they're uncomfortable but treat each other with disrespect will need more time talking about kindness and less time talking about telling an adult.
