Targeted opportunities

The return records targeted spending to improve access to PE, sport and physical activity for girls and for disadvantaged pupils. It does not record separately targeted spending for pupils with SEND or long-term medical conditions.

Swimming and water safety

At the end of Year 6, the school reported the following outcomes:

National curriculum swimming and water safety measure	Year 6 pupils
Swim competently, confidently and proficiently over 25 metres	74%
Use a range of strokes effectively	62%
Perform safe self-rescue in different water-based situations	74%

The draft return records a positive impact from the school's spending on swimming and water safety.

Priorities for 2026–2027

The school identified extra-curricular opportunities and equipment and resources as the areas where support from the new PE and School Sport Partnerships Network would be most beneficial.
